VALET SERVICE

Planning an event? Include us in your plans.

As valet parking is often the first and last impression of your guests, Pinnacle will become an extension of your event and would make a lasting first impression.

Our valet attendants are personable, well groomed, highly trained and are taught to see themselves as an extension of our clients' hospitality values. With over 20 years of valet experience, we will establish a seamless guest experience.

A warm welcome and flawless performance will create a memorable experience for your guests, and a worry free operation for you. We pride ourselves in our preparedness. We will meet the client and/or event coordinator prior to the event and execute a detailed logistics walk-through. This enables us to give you an honest and realistic quote. Whether you're having a small private event or a large social function, our expertise enables us to understand there is no one-size fits all valet parking solution.
